3. Privacy Policy

- 3.1. Net Virtue has established a privacy policy to define what information we collect from Customers and how we utilise this information:

- This policy applies to Net Virtue and explains how Net Virtue uses personal information collected through the 'Site'. Net Virtue is bound by the National Privacy Principles contained in the Commonwealth Privacy Act. Net Virtue has publicly committed to complying with the Australian Privacy Standards for the use of personal information in the course of providing IT services. Net Virtue protects all data to and from our internal systems to and from our staff by secure Virtual Private Network (VPN) connection. Net Virtue may, from time to time, review and update this privacy policy statement to take account of new laws and technology and changes to Net Virtue's operations. All personal information held by Net Virtue will be governed by Net Virtue's most recent policy, posted on the Site.

- 3.2. Net Virtue collects the following information:

- Net Virtue collects personal information from a variety of sources, including from members of the public, advertisers, prospective employees, mailing lists, recruitment agencies, contractors and business partners. In general, the personal information Net Virtue collects includes (but is not limited to) name, address, contact details, gender, occupation, in some cases membership of professional associations and, where relevant, financial information, including credit card information, banking details and income information.

- We store the personal information you enter on the Net Virtue website or give to Net Virtue in other ways. We obtain most personal information through the posting of ads or discussion forums via the Net Virtue website. You may provide information when you request or acquire a product or service from Net Virtue or its related companies, provide a product or service to Net Virtue, complete a survey or questionnaire, enter a competition, participate in forums or when you communicate with Net Virtue by e-mail, telephone or in writing (for example if you contact customer service or provide feedback).

3.4. How Net Virtue uses the information you provide:

- Net Virtue may use information it collects from you for the primary purpose for which it is collected and for such other secondary purposes that are related to the primary purpose of collection. There also may be an instance where Net Virtue may use a partial comment from you to recommend others as "Customer Feedback". This will be requested to be used to the customer prior to publishing on the site or third party discussion forum/web site.

- Provide you with products or services you have requested personalize and customize your experiences on the Net Virtue website; help Net Virtue manage and enhance its services; communicate with you; provide you with ongoing information about opportunities on the Net Virtue website in which Net Virtue believes you may be interested; give you the opportunity from time to time to receive e-mail from Net Virtue.

If you do not provide Net Virtue with that information, Net Virtue will not be able to provide you with the requested product or service.

3.5. Net Virtue treats sensitive information the following ways:

- "Sensitive Information" means information relating to a person's racial or ethnic origin, membership of political bodies, religion, membership of a trade union or professional or trade association, sexual preferences, criminal record and health. Net Virtue may use and disclose Sensitive Information only for the purpose for which it was provided or a directly related secondary purpose or as allowed by law unless you have agreed otherwise

4. Disclosure

4.1. How Net Virtue discloses your information:

- Third parties engaged by Net Virtue to perform functions on its behalf, such as processing credit card information, mail outs, debt collection, marketing, research and advertising; third parties authorized by you to receive information held by Net Virtue. If Net Virtue sells part of its business, personal information may be part of the assets transferred to the purchaser. Should Net Virtue provide an opportunity where you are invited to send personal information to organizations other than Net Virtue, the choice to send such information to these organizations is entirely the customers. You should be aware that any such information you choose to send will not be bound by this policy.

5. Updates to Personal Information

5.1. Net Virtue protects personal information in the following ways:

- Net Virtue endeavours to ensure that the personal information it holds is accurate, complete and up-to-date. You can generally update personal information that is not membership information on the Net Virtue website where you submitted that information.
